## OUTSTANDING VOTING SECURITIES AND QUORUM

On May 31, 2023, we had 15,059,749 outstanding Ordinary Shares, each of which is entitled to one vote upon each of the matters to be presented at the Meeting. Two or more shareholders holding Ordinary Shares conferring in the aggregate at least one-third (1/3) of our voting power, present in person or by proxy and entitled to vote, will constitute a quorum at the Meeting. If within an hour from the time appointed for the meeting a quorum is not present, the Meeting shall stand adjourned to the same day in the next week, at the same time and place, or to such day and at such time and place as the Chairman may determine with the consent of the holders of a majority of the voting power represented at the Meeting in person by proxy and voting on the question of adjournment. No business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting as originally called. At such adjourned meeting, any two (2) holders of Ordinary Shares present in person or by proxy, shall constitute a quorum.

**BENEFICIAL OWNERSHIP OF SECURITIES BY CERTAIN  
BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information with respect to the beneficial ownership of our Ordinary Shares as of May 31, 2023, by:

- each person or entity known by us to own beneficially more than 5% of our outstanding Ordinary Shares;
- each of our directors and executive officers individually; and
- each of our executive officers and directors as a group.

The beneficial ownership of Ordinary Shares is determined in accordance with the SEC rules and generally includes any Ordinary Shares over which a person exercises sole or shared voting or investment power. For purposes of the table below, we deem shares subject to options that are currently exercisable or exercisable within 60 days of May 31, 2023, and restricted share units (“RSUs”) that vest within 60 days of May 31, 2023, to be outstanding and to be beneficially owned by the person holding the options or RSUs for the purposes of computing the percentage ownership of that person but we do not treat them as outstanding for the purpose of computing the percentage ownership of any other person. The percentage of shares beneficially owned is based on 15,059,749 Ordinary Shares outstanding as of May 31, 2023.

The information presented below is based on information provided to us by the directors, officers, and shareholders or disclosed by any of them in public filings with the SEC. The voting rights of our major shareholders do not differ from the voting rights of other holders of our Ordinary Shares.

None of our executive officers or directors beneficially owns 1% or more of our outstanding Ordinary Shares.

As of May 31, 2023, our Ordinary Shares had a total of 15 holders of record, of which 8 were registered with addresses in the United States. We believe that the number of beneficial owners of our shares is substantially greater than the number of record holders, because a large portion of our Ordinary Shares is held of record in broker “street name”.

## COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

For information relating to the compensation of our five most highly compensated office holders with respect to the year ended December 31, 2022, please see “Item 6. Directors, Senior Management and Employees — B. Compensation” in our Annual Report on Form 20-F, which was filed on March 30, 2023, with the SEC.

## ITEM 1 — ELECTION OF DIRECTORS

Our Board is comprised of Rachel (Heli) Bennun (Executive Chairman), and our non-executive directors: Matty Karp, Mirella Kuvent, Oren Most, Yaron Ravkaia and Rami Schwartz. Mr. Zohar Zisapel, who served as our Chairman of the Board from our inception until 2015 and as a non-executive director in our Board since 2015, sadly passed away on May 19, 2023. Our directors are elected by the shareholders at the annual general meeting of the shareholders, except in certain cases where directors are appointed by the Board until the first meeting of the shareholders thereafter.

Our Board has determined that each of Mr. Matty Karp, Mr. Oren Most, Mr. Rami Schwartz, Mr. Yaron Ravkaia and Mr. Andre Fuetsch qualified to serve as an independent director under the Nasdaq Stock Market Rules.

Under the Companies Law, a public company incorporated under the laws of the State of Israel must elect at least two external directors. However, pursuant to an exemption provided under section 5D of the Israeli Companies Regulations (Relief for Public Companies with Shares Listed for Trading on a Stock Market Outside of Israel), 5760-2000 (the “**Exemption**”), a public company with securities listed on certain foreign exchanges, including Nasdaq, that satisfies the applicable foreign country laws and regulations that apply to companies organized in that country relating to the election of independent directors and composition of audit and compensation committees and has no controlling shareholder, such as RADCOM, is exempt from the requirement to elect external directors or comply with the audit committee and compensation committee composition requirements under the Companies Law. In July, 2019, our Board adopted the Exemption.

### **Election of Mr. Andre Fuetsch as a director with special expertise**

At the Meeting, you will be asked to elect Mr. Andre Fuetsch to serve as a director in our Board.

Mr. Andre Fuetsch is a well-known senior executive in the Telecom industry. Mr. Fuetsch has served in various senior capacities in AT&T Inc. since his joining in 1995, the most recent of which is AT&T’s Executive Vice President and CTO Network Services. As part of his role, Mr. Fuetsch oversaw the global technology direction for AT&T, including network planning, innovation road map and led AT&T Labs, AT&T Foundry, and the intellectual property organization. In his previous roles in AT&T, Mr. Fuetsch supported and led several organizations responsible for software, systems, and network architecture, planning and engineering, where he held six patents in the field of network traffic optimization and database design. Mr. Fuetsch holds a bachelor’s degree in Industrial Engineering and Operations Research at U.C. Berkeley and completed his graduate coursework in Computer Science at Stanford University.

If elected, Mr. Fuetsch will hold office until the third annual general meeting following the Meeting.

Because Mr. Fuetsch has unique business and industry expertise and potential to support our growth efforts, the Board believes that it would be appropriate to offer Mr. Fuetsch compensation terms that exceed the non-executive directors compensation approved in the annual general meeting we had in July 2020 (the “**2020 AGM**”). Accordingly, if elected, Mr. Fuetsch will be entitled to receive an annual cash compensation in the amount of (i) \$52,000 per year, (ii) a per meeting fee in the amount of \$2,000 for board, committee and other strategic meetings participated; and (iii) 40% of such per meeting fee for each resolution adopted in writing in lieu of a meeting (the “**Special Expertise Director Compensation**”).

In addition, Mr. Fuetsch shall be granted with such amount of RSUs (the “**Special Expertise Director Grant**”), reflecting 7,800 RSUs annually, for three years, where the Special Expertise Director Grant vests in thirty-six (36) equal monthly installments commencing on his election as a director. Any unvested RSUs shall expire on the date Mr. Fuetsch ceases to serve as a director in the Board. The Special Expertise Director Grant shall be in accordance with the terms and conditions of the Company’s 2023 Equity Incentive Plan. Our Compensation Committee and Board determined that the Mr. Fuetsch Cash Compensation and the Mr. Fuetsch Director Grant are within the limitations set forth in our Compensation Policy.

### **Re-election of Mr. Yaron Ravkaia as a director**

At the Meeting, you will be asked to re-elect Mr. Ravkaia to continue to serve as a member of our Board.

Mr. Yaron Ravkaia has served as a director since January 2020 and was first elected at the 2020 AGM until the third annual meeting after the 2020 AGM. Mr. Ravkaia is the chief executive officer of Teridion Technologies Ltd., having assumed that role in January 2020. Mr. Ravkaia previously served as RADCOM’s chief executive officer from

January 2016 through December 2019. Prior to joining RADCOM, during 2015, Mr. Ravkaie served as the Chief Business Officer of RR Media Ltd. Prior to serving at RR Media Ltd., and between 1998 and 2015, Mr. Ravkaie served in various roles with Amdocs Ltd. (Nasdaq: DOX), including as the President of the Mobile Financial Services Division, President of the AT&T division, and other director and vice president roles. Mr. Ravkaie served for nine years in information systems, industrial engineering and logistics with the Israeli Air Force as a Major. Mr. Ravkaie holds an M.B.A. from the University of Beersheba and a B.Sc. in Industrial Engineering & Management from the Technion, Haifa.

If re-elected, Mr. Ravkaie will hold office until the third annual general meeting following the Meeting. If re-elected, Mr. Ravkaie will be entitled to receive the amounts paid to all other non-executive serving directors (other than Mr. Fuetsch) in the Company as approved by shareholders at the 2020 AGM, and continue to be granted with equity incentive for three years as provided for by the Long-Term Directors Equity Grant Scheme that was approved by our shareholders at the 2022 AGM.

**Extension of the election of Ms. Rachel Bennun, Mr. Matty Karp, Mr. Rami Schwartz and Mr. Oren Most as directors**

Mr. Schwartz and Mr. Most were re-elected to serve on our Board at our annual general meeting of shareholders which took place in July 2021 (“**2021 AGM**”) until the third annual meeting after the 2021 AGM. Ms. Bennun and Mr. Karp were re-elected to serve on our Board at our annual general meeting of shareholders which took place in July 2022 (“**2022 AGM**”), whereby the re-election of Ms. Bennun and Mr. Karp expires on the third annual meeting after the 2022 AGM.

The Company suggests to cease using the gradual directors’ re-election mechanism and align and unify the directors term in office, to the extent feasible.

Accordingly, at the Meeting, you will be asked to approve the extension of the election of Ms. Bennun, Mr. Karp, Mr. Schwartz and Mr. Most to serve as members of our Board so that their term as directors will expire on the third annual general meeting following the Meeting.

## ITEM 2 — APPROVAL OF AN AMENDMENT TO THE COMPENSATION TERMS OF OUR EXECUTIVE CHAIRMAN OF OUR BOARD

At the Meeting, you will be asked to approve an amendment to the compensation terms of our Executive Chairman, Ms. Bennun. Under the Companies Law, the compensation of directors requires the approval of the Compensation Committee, Board and shareholders, in that order.

Ms. Bennun was appointed and has been acting as the Company's Executive Chairman since 2015.

Consistent with the terms that were approved by the shareholders at the 2022 AGM, we currently pay Ms. Bennun a fixed monthly service fee which is comprised of a base fee in an amount of NIS 33,000 (approximately \$8,883) (the "**Current Base Fee**") and an additional payment representing customary benefits and perquisites, totaling to an amount of NIS 45,537 (approximately \$12,258) per month plus Value Added Tax. In addition, Ms. Bennun was also eligible to receive an annual bonus with regard to special activities, as was determined by the Compensation Committee and the Board, which has not exceeded the sum of 150% of the Executive Chairman's Current Base Fee.

Since her first appointment as the Company's Executive Chairman, Ms. Bennun has been rendering the Company services on a significant scope.

Our Compensation Committee and Board approved, and recommending the shareholders to approve at the Meeting, new compensation terms for our Executive Chairman, representing an alignment to our Executive Chairman's actual scope of services.

Our Compensation Committee and Board believe that the Executive Chairman Amended Terms would serve an appropriate compensation to our Executive Chairman, given her significant leadership and contribution to the Company's growth, as well as long-term retention and performance incentive to advance the objectives of the Company and its long-term strategy.

Below is a summary of the proposed new compensation terms of our Executive Chairman, as recommended by our Compensation Committee and Board (the "**Executive Chairman Amended Terms**"):

- **Base Fee:** Effective as of January 1, 2023, Ms. Bennun will be entitled to a fixed monthly service fee which is comprised of a base fee in the amount of NIS 66,000 (approximately \$17,766) (the "**New Base Fee**") and an additional payment representing customary benefits and perquisites, totaling to an amount of NIS 90,000 (approximately \$24,226) per month plus Value Added Tax.
- **Annual Bonus:** Ms. Bennun shall be eligible to receive an annual bonus of up to 90% of the annual New Base Fee, i.e., up to NIS 712,800 (approximately \$191,871) plus Value Added Tax, which shall be comprised of (1) measurable criteria identical to the criteria and targets set for the Company's Chief Executive Officer (including over-achievements, if applicable), and (2) non measurable criteria and discretion.

Additionally, Ms. Bennun shall be eligible to receive, at the discretion of the Compensation Committee and the Board, one or more bonuses following the occurrence of certain extraordinary events as set forth in the Compensation Policy of up to seventy-five percent (75%) of Ms. Bennun's annual New Base Fee, i.e., up to additional NIS 594,000 (approximately \$159,892) plus Value Added Tax. Such extraordinary events bonuses may be awarded following the occurrence of transactions or extraordinary events such as fund raising or mergers and acquisitions. Such amount may be payable in immediately vested equity based on the value at the date of bonus determination. In accordance with the Compensation Policy, such equity shall not be deemed part of Ms. Bennun's other equity-based compensation.

Notwithstanding the above, Ms. Bennun's total bonus per year shall not exceed, in the aggregate, 150% of the annual New Base Fee, i.e., an amount of NIS 1,188,000 (approximately \$319,785).

- **Equity Grants:** Ms. Bennun shall continue to be entitled to equity grants as provided for and in accordance with the Long-Term Directors Equity Grant Scheme as approved by our shareholders at the 2022 AGM.
- **Termination Rights:** Either the Company or Ms. Bennun may terminate Ms. Bennun's services upon one-hundred and eighty (180) days prior written notice. During the said period, Ms. Bennun shall be obliged to continue to render services to the Company, unless otherwise approved by the Company's Board, at its sole discretion, in which case, Ms. Bennun shall be entitled to full consideration as if service has been rendered to Company during the entire period.

Our Compensation Committee and Board have determined that the Executive Chairman Amended Terms are within the limitations set forth by our Compensation Policy (as proposed to be amended, as provided for below in Item 4).

**The Board recommends a vote “FOR” approval of the proposed resolution.**

### ITEM 3 — APPROVAL OF A GRANT OF EQUITY TO OUR CHIEF EXECUTIVE OFFICER, MR. EYAL HARARI

Under the Companies Law, arrangements regarding the compensation of a Chief Executive Officer of a public company require the approval of the company’s compensation committee, Board and shareholders, in that order. The proposed equity grant to our Chief Executive Officer (the “**CEO Grant**”), as described below, has been approved on February 7, 2023 (the “**Grant Board Approval Date**”) by our Compensation Committee and Board (subject to shareholders’ approval). In making their determination, each of the Compensation Committee and Board determined that the CEO Grant is within the limitations set forth in our Compensation Policy. Our Compensation Committee and Board approved the CEO Grant as they believe that, together with Mr. Harari’s existing compensation arrangements with us, the proposed grant would serve as an appropriate long-term retention and performance incentive to advance the objectives of the Company, including its long-term strategy.

At the Meeting you will be asked to approve an equity grant of 40,000 RSUs to our Chief Executive Officer, Mr. Harari. Out of such amount, an amount of 30,000 RSUs will vest over four years in equal quarterly installments, commencing the Grant Board Approval Date. Additionally, in accordance with Mr. Harari’s employment agreement, upon a transaction (i) in which all of the Company’s outstanding shares are sold and/or transferred to a third-party and (ii) Mr. Harari’s termination of his employment at a time following the lapse of three months from the date of the closing of such transaction, 100% of the RSUs not yet vested will accelerate and be deemed fully vested. In any other event, all unvested RSUs will expire on the date of termination of Mr. Harari’s employment.

The RSUs will be granted under the RADCOM Ltd. 2013 Option Plan. For more information about Mr. Harari’s terms of employment please see our Proxy Statement for our 2020 AGM, filed with the SEC on Form 6-K on June 4, 2020. #### ITEM 4 — APPROVAL OF AMENDMENTS TO OUR COMPENSATION POLICY

The Companies Law provides that companies incorporated under the laws of Israel, whose shares are listed for trade on a stock exchange or have been offered to the public in or outside of Israel, such as RADCOM, are required to adopt a policy governing the compensation of “Office Holders.” The Companies Law defines the term “Office Holder” of a company to include a director, the chief executive officer, the chief financial officer and any manager who is directly subordinate to the chief executive officer. Accordingly, on August 16, 2016, following the recommendation of the Compensation Committee and the approval of the Board, our shareholders approved a Compensation Policy for Executive Officers (the “**Compensation Policy**”). Under the Companies Law, we are required to review, update (if necessary) and approve the Compensation Policy every three years. Most recently the Amended and Restated Compensation Policy was re-approved at our 2022 AGM.

We propose to amend Section 13.2 of our Amended and Restated Compensation Policy, such that the Board may, following approval by the Compensation Committee, and subject to any other approval required under the Companies Law, make provisions with respect to the acceleration of the vesting period of any Director’s and Chairman’s award, in addition to any Executive Officer’s award, as currently provided.

We propose to amend Section 14 of our Amended and Restated Compensation Policy, such that the terms related to Retirement and Termination of Service Arrangements shall apply also to our Executive Chairman of the Board, in addition to our Executive Officers, as currently provided.

Our Compensation Committee and Board approved the proposed amendments as they believe that it would serve as an appropriate long-term incentive to our directors and Executive Chairman and advance the objectives of the Company, including its long-term strategy. Such proposed amendments would also provide us with flexibility that is necessary in light of market conditions. A marked copy of the Amended and Restated Compensation Policy indicating the proposed amendments thereof is attached hereto as **Exhibit A**.

#### **Required Approval**

The affirmative vote of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter is required for the approval of the proposed amendments, provided that either (i) at least a majority of the Ordinary Shares voted on the matter by non-controlling shareholders or by shareholders who do not have a personal interest in the resolution, are voted in favor of the matter or (ii) the total number of Ordinary Shares of non-controlling shareholders or of shareholders who do not have a personal interest in the resolution voted against the matter does not exceed two percent of the outstanding voting power in our company.

The Companies Law requires that each shareholder voting on this proposal indicate whether or not such person is a controlling shareholder or has a personal interest in such resolution; otherwise, the shareholder is not eligible to vote on this proposal. For information regarding personal interests and definition of a “controlling shareholder” under the Companies Law and related voting procedures, please see Item No. 3 above under the caption “Required Approval.”

The enclosed form of proxy includes a certification that you do not have a personal interest in this proposal. The proxy card includes a box you can mark to confirm that you are not a “controlling shareholder” and do not have a “personal interest” in this matter. If you do not mark this box, your vote will not be counted. If you are unable to make this confirmation, please contact Ms. Hadar Rahav, our Chief Financial Officer, at +972-77-774-5060 for guidance on how to vote your Ordinary Shares and indicate that you have a personal interest or, if you hold your Ordinary Shares in “street name,” you may also contact the representative managing your account, who would then contact us on your behalf.

#### **Proposed Resolution**

At the Meeting, it is proposed that the following resolution be adopted:

**RADCOM LTD.**  
**AMENDED AND RESTATED DIRECTORS AND EXECUTIVE OFFICERS COMPENSATION**  
**POLICY**

~~July 11, 2019~~ **As reapproved on July 21, 2022 and amended on July 20, 2023**

**A. Overview and Objectives**

**1. Introduction**

The purpose of this document is to describe the overall compensation strategy of RADCOM Ltd. (“**RADCOM**” or the “**Company**”) for its Executive Officers and Directors, and to provide guidelines for setting compensation of its Executive Officers and Directors (this “**Compensation Policy**” or “**Policy**”), in accordance with the requirements of the Companies Law, 1999 (the “**Companies Law**”).

Compensation is a key component of RADCOM’s overall human capital strategy to attract, retain, reward, and motivate highly skilled individuals who will enhance RADCOM’s value and otherwise assist RADCOM to reach its business and financial long term goals. Accordingly, the structure of this Policy is established to tie the compensation for each Executive Officer to RADCOM’s goals and performance.

For purposes of this Policy, “Executive Officers” shall mean “Office Holders” as such term is defined in the Companies Law, excluding, unless otherwise expressly indicated herein, RADCOM’s Directors.

Under no event shall the Company be deemed by this Policy, as being obligated to provide and/or grant any compensation component mentioned hereunder, to any of its Executive Officers and/or Directors; this Policy shall apply to compensation agreements and arrangements which will be approved after the date on which this Compensation Policy is approved by the shareholders of RADCOM.

The Compensation Committee and the Board of Directors of RADCOM shall review and reassess the adequacy of this Policy from time to time, as required by the Companies Law.

**2. Objectives**

RADCOM’s objectives and goals in setting this Compensation Policy are to attract, motivate and retain highly skilled and experienced personnel who will provide leadership for RADCOM’s success and enhance shareholder value, while supporting a performance culture that is based on merit, and differentiates and rewards excellent performance in the long term, and recognizes RADCOM’s values. To that end, this Policy is designed, among others:

- 2.1. To closely align the interests of the Directors and Executive Officers with those of Company’s stockholders in order to enhance stockholder value;
- 2.2. To provide the Executive Officers with a structured and balanced compensation package, including competitive salaries and benefits, performance-motivating cash and equity incentive programs; and
- 2.3. To provide appropriate awards for superior individual and corporate performance.

**3. Compensation structure and instruments**

- 3.1. Compensation instruments under this Compensation Policy may include the following:
  - 3.1.1. Base salary;
  - 3.1.2. Benefits and perquisites;
  - 3.1.3. Cash bonuses;
  - 3.1.4. Equity based compensation; and
  - 3.1.5. Retirement and termination of service arrangements.

- 3.2. A change in the compensation package of an Executive Officer which reports directly and/or indirectly to the CEO, which results in an increase of such Executive Officer’s total compensation by no more than an amount equal to two (2) monthly salaries, may be approved solely by the CEO, provided all elements of compensation of such Executive Officer will continue to meet the requirements of the Compensation Policy.
  - 3.3. A change in the compensation package of the CEO, which results in an increase of the CEO’s total compensation by no more than ten percent (10%) per annum, may be approved by the Compensation Committee and the Board of Directors, provided all elements of compensation of the CEO will continue to meet the requirements of the Compensation Policy.
4. **Overall compensation - Ratio between fixed and variable compensation**
- 4.1. This Policy aims to balance the mix of Fixed Compensation (base salary, benefits and perquisites) and Variable Compensation (cash bonuses and equity based compensation) in order to, among other things, appropriately incentivize Executive Officers to meet Company’s goals while considering Company’s management of business risks;
  - 4.2. In light of the foregoing, the table below reflects the ratio between Fixed and Variable Compensation permitted under this Policy (per annum basis):

	<b>Range for % of fixed compensation out of the total compensation</b>	<b>Range for % of variable compensation out of the total compensation(*)</b>
<b>CEO</b>	20% – 100%	0% – 80%
<b>Non Sales Executives</b>	25% – 100%	0% – 75%
<b>Sales Executives</b>	15% – 100%	0% – 85%

(\*) Variable compensation includes annual bonuses and equity compensation. The variable component in regard of the equity compensation reflects the value at the date of grant.

5. **Inter-Company Compensation Ratio**
- 5.1. In the process of composing this Policy, RADCOM has examined the ratio between overall compensation of the Executive Officers and the average and median salary of the other employees of RADCOM (including employee-contractors and agency contractors, if any) (the “**Ratio**”).
  - 5.2. The possible ramifications of the Ratio on the work environment in RADCOM were examined in order to ensure that levels of executive compensation, as compared to the overall workforce will not have a negative impact on work relations in RADCOM.
  - 5.3. The following is the current compensation Ratio: overall compensation of each executive, including the CEO, is not more than ten (10) times the average (and median) of the overall compensation of the other headquarter employees.

**B. Base Salary, Benefits and Perquisites**

6. **Base Salary**
- 6.1. The base salary varies between Executive Officers, and is individually determined according to the past performance, educational background, prior business experience, qualifications, role and the business responsibilities of the Executive Officer.
  - 6.2. Since a competitive base salary is essential to Company’s ability to attract and retain highly skilled professionals, RADCOM will seek to establish a base salary that is competitive with the base salaries paid to Executive Officers of a peer group of companies, while considering, among others, RADCOM’s size and field of operation. To that end, RADCOM shall utilize as a reference comparative market data and practices.

7. **Benefits and Perquisites**

- 7.1. The following benefits and perquisites may be granted to the Executive Officers, provided that to the extent requirements under applicable laws impose a greater benefit than set forth below, the legal requirement shall apply:
- 7.1.1. Vacation of up to twenty-eight (28) days per annum;
  - 7.1.2. Sick days of up to thirty (30) days per annum;
  - 7.1.3. Convalescence pay according to applicable law;
  - 7.1.4. Monthly remuneration for a study fund, as allowed by applicable law and with reference to the practice in peer group companies;
  - 7.1.5. Company shall contribute on behalf of the Executive Officer to an insurance policy or a pension fund, as allowed by applicable law and with reference to the practice in peer group companies;
  - 7.1.6. Company may contribute on behalf of the Executive Officer towards work disability insurance, as allowed by applicable law and with reference to the practice in peer group companies; and
  - 7.1.7. Company may sponsor Private Health Insurance for the Executive Officer, in accordance with the Company's policy and agreement with the insurance company.
- 7.2. Company may offer additional benefits and perquisites to the Executive Officers, which will be comparable to customary market practices, such as: company cellular phone benefits; company car benefits; refund of business travel including per diem when traveling and other business related expenses, insurances, etc.; provided however, that such additional benefits and perquisites shall be determined in accordance with Company's policies and procedures.

**C. Cash Bonuses**

8. **The Objective**

- 8.1. Compensation in the form of cash bonus(es) is an important element in aligning Executive Officers' compensation with Company's objectives and business goals in the long-term, such that both individual performance and overall company success are rewarded.
- 8.2. Company's policy is to allow annual cash bonuses, which may be awarded to the Executive Officers upon the attainment of pre-set periodical objectives and personal targets, pursuant to distinguishable terms for three Executive Officers' populations, as reflected in Section 9 below.
- 8.3. The performance targets payable to each Executive Officer (other than the CEO) shall be presented and recommended by Company's Chief Executive Officer and reviewed and approved by the Compensation Committee and the Board of Directors.

Examples of performance targets that may be considered include:

- financial results;
- sales and booking results;
- efficiency metrics;
- internal and external customer satisfaction;
- enterprise value;
- execution of specific projects; and
- attainment of milestones.

## 9. Annual Bonus

### CEO

- 9.1. The CEO shall be eligible to receive, at the discretion of the Compensation Committee and the Board of Directors, an annual bonus (the “Annual Bonus”) not to exceed one hundred percent (100%) of the CEO’s annual base salary (the “Maximum Annual Bonus”) which shall be based on two components as follows:
- 9.1.1. A “Measurable” component, including all over-achievement, of up to one hundred percent (100%) of the annual base salary. This component, will be based on the measurable results of the Company, as compared to RADCOM’s budget and work plan for the relevant year. Such measurable criteria will be determined at the commencement of each fiscal year (or start of employment, as applicable), and may include (but is not limited to) any one or more of the following criteria: profit, revenue, booking, cost reduction, other performance objectives, etc.
- 9.1.2. A “Discretionary” component of up to the lesser of (i) fifty percent (50%) of the CEO’s annual base salary, or (ii) the difference between the Maximum Annual Bonus and the measurable bonus earned pursuant to Section 9.1.1 above. This component will take into account tangible and intangible performance factors where it is the Compensation Committee’s and Board of Directors’ determination that the measurable portion of the CEO’s annual bonus does not sufficiently reflect the CEO’s relative contribution to the Company.
- 9.2. The CEO shall be eligible to receive, at the discretion of the Compensation Committee and the Board of Directors, one or more bonuses following the occurrence of certain extraordinary events (the “Extraordinary Events Bonuses”) not to exceed in the aggregate, and subject to the limitation set forth in Section 9.3, seventy-five percent (75%) of the CEO’s annual base salary. Such bonuses may be awarded following the occurrence of transactions or extraordinary events such as fund raising, mergers and acquisitions, or a change in control. For purposes hereof, a “change in control transaction” shall mean any transaction or series of transactions following which any one entity or person holds or controls, directly or indirectly, more than fifty percent (50%) of the Company’s outstanding shares.
- The Extraordinary Events Bonuses under this Section 9.2 may be payable in immediately vesting equity based on the value at the date of bonus determination. Such equity shall not be deemed part of the equity based compensation as set forth in Section D below for purposes of the limitation set forth in Section 12.3.
- 9.3. The overall aggregate bonus of the CEO, as a sum of the Annual Bonus and the Extraordinary Events Bonuses shall not exceed one hundred and fifty percent (150%) of the CEO’s annual base salary in any given year.

### Executive Officers other than the CEO

- 9.4. For Executive Officers, except the CEO, the Compensation Committee and the Board of Directors will have full discretion to determine the annual bonus calculation and increase the final bonus payout based, among other things, additional considerations relevant to the performance and objectives of the Company and the relevant Executive Officer including non-measurable criteria.
- 9.5. The annual bonus of the Executive Officers, will not exceed the following amounts:
- For Non-Sales Executive Officers, the amount of seventy five percent (75%) of their base annual salary;
- For Sales Executives Officers, the amount of one hundred and fifty percent (150%) of their base annual salary.

**10. Compensation Recovery (“Clawback”)**

- 10.1. In the event of an accounting restatement, RADCOM shall be entitled to recover from Executive Officers bonus compensation in the amount of the excess over what would have been paid under the accounting restatement, with a two-year look-back. The compensation recovery will not apply to former Executive Officers of RADCOM.
- 10.2. Notwithstanding the aforesaid, the compensation recovery will not be triggered in the event of a financial restatement required due to changes in the applicable financial reporting standards.
- 10.3. Nothing in this Section 10.3 derogates from any other “clawback” or similar provisions regarding disgorging of profits imposed on Executive Officers by virtue of applicable securities laws.

**D. Equity Based Compensation**

**11. The Objective**

- 11.1. The equity based compensation for RADCOM’s Directors and Executive Officers is designed in a manner consistent with the underlying objectives in determining the base salary and the annual bonus, with its main objectives being to enhance the alignment between the Directors’ and Executive Officers’ interests with the long term interests of RADCOM and its shareholders, and to strengthen the retention and the motivation of Directors and Executive Officers in the long term. In addition, since equity based awards are to be usually structured to vest over a long term, their incentive value to recipients is aligned with longer-term strategic plans.
- 11.2. The equity based compensation offered by RADCOM is intended to be in a form of stock options and/or other equity forms, such as RSUs, in accordance with the Company’s equity compensation policies and programs in place from time to time.

**12. General guidelines for the grant of awards**

- 12.1. The equity based compensation shall be granted from time to time and be individually determined and awarded according to the performance, educational background, prior business experience, qualifications, role and the personal responsibilities of the Executive Officer.
- 12.2. Vesting and other terms for equity based compensation shall be subject to the terms of the Company’s then-applicable option plan and as permitted in such plan.
- 12.3. The fair market value of the equity based compensation for the Executive Officers will be determined according to acceptable valuation practices at the time of grant. Such fair market value, as examined at the time of grant as aforesaid, shall not exceed the amount of two (2) annual salaries per year of vesting on a linear basis.

**13. Acceleration and exercise of awards**

- 13.1. The Board may, following approval by the Compensation Committee, extend the period of time for which an award is to remain exercisable.
- 13.2. The Board may, following approval by the Compensation Committee, make provisions with respect to the acceleration of the vesting period of any Executive Officer’s, [Directors’ and Chairman equity](#) awards, including, without limitation, in connection with a corporate transaction involving a change of control.

**E. Retirement and Termination of Service Arrangements**

**14. Advance notice**

RADCOM may provide an Executive Officer [and the Executive Chairman](#) a prior notice of termination of up to six (6) months, during which ~~such the~~ Executive Officer [and the Executive Chairman](#) may be entitled to all of the compensation elements, and to the continuation of vesting of his ~~or her~~ options [and RSUs](#). During the advance notice period ~~such the~~ Executive Officer [and the Executive Chairman](#) may be required to continue providing services to RADCOM.

**15. Transition period**

RADCOM may provide an additional transition period during which the Executive Officer will be entitled to up to an additional 3 months of continued base salary, benefits and perquisites beyond the Advance Notice period described above. Additionally, the Board may, following approval by the Compensation Committee, approve to continue the vesting and/or the exercise eligibility of such Executive Officer's options during such transition period. The transition period shall be conditioned on terms of service of at least two (2) years, on the employment relationship not being terminated with the Executive Officer for cause, and will be determined based on some or all of the following considerations: the period of service or employment of the Executive Officer (subject to as mentioned above, terms of service not being less than two (2) years), service or employment terms during the Executive Officer's service or employment period, RADCOM's performance during such period, Executive Officer's contribution to the achievement of RADCOM's objectives and performance and the particular circumstances of termination of employment or service.

**16. Additional Retirement and Termination Benefits**

RADCOM may provide additional retirement and terminations benefits and payments as may be required by applicable law (e.g., mandatory severance pay under Israeli labor laws), or which will be comparable to customary market practices and which in such event, shall not exceed in value the equivalent of six (6) monthly base salaries of the Executive Officer.

**F. Exculpation, Indemnification and Insurance**

**17. Exculpation**

Except as may be otherwise approved from time to time by the shareholders, RADCOM shall not exempt its Directors and Executive Officers from the duty of care.

**18. Indemnification**

RADCOM may indemnify its Directors and Executive Officers to the fullest extent permitted by applicable law, for any liability and expense that may be imposed on the Executive Officer, as provided in the Indemnity Agreement between such individuals and RADCOM, all subject to applicable law.

**19. Insurance**

19.1. RADCOM will provide "Directors and Officers Insurance" (the "**Insurance Policy**") for its Directors and Executive Officers, provided that such engagement in an Insurance Policy is not expected to have a material effect on the Company's profitability, assets or liabilities.

19.2. The maximum aggregate coverage for the Insurance Policy will be up to Forty Million U.S. dollars (US \$40,000,000), as may be increased or decreased from time to time by the shareholders.

19.3. The maximum aggregate annual premium and deductibles will be in market terms at the time the Insurance Policy is purchased and will not impact the Company.

19.4. The Company may also purchase Insurance Policy with respect to specific events, such as public offerings, or with respect to periods of time following which the then existing insurance coverage ceases to apply, such as "run-off" coverage in connection with a change in control; provided that the premium and deductibles therefor will be in market terms at the time the Insurance Policy is purchased and will not impact the Company.

**G. Board of Directors Compensation**

20. The members of Company's board may (and, in the case of external directors, shall) be entitled to remuneration and refund of expenses according to the provisions of the Companies Regulations (Rules on Remuneration and Expenses of Outside Directors), 2000, as amended by the Companies Regulations (Relief for Public Companies Traded in Stock Exchange Outside of Israel), 2000, as such regulations may be amended from time to time.
